*"The greatest birthday gift my husband could receive is if people of all racial and ethnic backgrounds celebrated the holiday by performing individual acts of kindness through service to others."*

-Coretta Scott King

At Kent County, Dr. Martin Luther King Jr. Day is more than just a day off from work. This is a time that Kent County employees are afforded an opportunity to give back to their community in the spirit of Dr. King by volunteering their service for a worthy cause. Dr. King recognized the power of service to strengthen communities and to achieve common goals. Through his words and example, Dr. King challenged individuals to take action and lift up their neighbors and communities through service.

If you are interested in volunteering please contact the Human Resources Department at 632-7440.

*Make it a day on, not a day off.*
